PRENATAL AND POSTPARTUM EMOTIONAL SUPPORT

Snohomish County Crisis Line 425-258-4357

Perinatal Support Washington warm line. Toll free 1-888-404-7763

***Providence Behavioral Health Urgent Care** 425-261-4210. Located in the Providence Medical Office Building, 1330 Rockefeller Ave., Ste. 140.

The multidisciplinary team includes psychiatric nurse practitioners, a social worker, a substance use disorder professional, and peer counselors. They provide psychiatric consultation, medication if needed, and bridging to community partnerships and services. The goal of the clinic is to address immediate behavioral health needs and help connect patients to providers in the community for ongoing care. The clinic will accept walk-in behavioral health patients Monday-Friday, 10 a.m.-5 p.m. Patients are seen on a first-come, first-served basis. No appointment is necessary.

Private therapists:

- If you have health insurance, ask your insurance company for referrals to preferred or in-network providers that treat perinatal or other issues.
- Perinatal Support Washington: visit <https://directory.perinatalsupport.org/therapist> or call their Warm Line for support and referrals at 1-888-404-7763
- Psychology Today: visit www.psychologytoday.com and search under Pregnancy, Prenatal, Postpartum, and your zip code.

Open Path Psychotherapy Collective www.openpathcollective.com is a resource for people who are underinsured, or who want to avoid billing insurance. The lifetime joining fee is \$59, after which counseling is offered at a reduced rate. Members search by zip code and specialty for providers in this network.

***Compass Health** 425-349-8200. Open Access walk-in appointments for screening available at several locations. Compass is the main provider for Medicaid in our County, offering individual and group psychotherapy for men and women with mental health and adjustment issues, including postpartum mental health. In crisis? Call their Care Crisis line 1-800-584-3578.
